Maritime Archaeology: South Carolina Style

Presented by the
Sport Diver Archaeology Management Program

Come listen to maritime archaeologists talk about their work with maritime archaeology in South Carolina waters. The presentation will feature the programs offered by the Sport Diver Archaeology Management Program as well as highlight some of their many archaeological projects. The archaeologists will also be bringing some exciting underwater treasures from their experiences in the field. Get ready to dive into history!

Where: Charleston County Public Library
Date: May 25, 2010
Time: 6:30pm-7:30pm
